

Luke 17 What does “service” look like?

Vs. 1-6 – a Forgiving Faith

Vs 1-3

Why is it so important that we are careful in our relationships?

Vs 3-6

Why does it seem to be such a great effort to forgive someone?

Where has forgiveness proved powerful in your life?

Vs 7-10 – Attitude-understand who you are

What response do you expect when you have done something for someone else? Why do you expect that response?

Vs 11-19– Gratitude (combination of Grace and attitude!)

How were the lepers respectful?

How were the lepers faithful?

What was the difference between the leper who came back to see Jesus and the other nine?

(Note: The one who returned to thank and worship was a Samaritan. He probably would not be accepted as a part of his “healed” group.)

Vs 7-10 deal with our attitude. Vs 11-19 deal with “their” attitude. Which is easier to focus on?

Vs 20-37– Be ready

What is the difference between the kingdom of God and the presence of Jesus?

What does protecting your “stuff” say about your relationship with Jesus? Is there something you would “go back” for?

How are you aware of Jesus as you sell, eat, plant, and build in your daily life?
