

MAKE A PUPPET

Cut 2 straws this way:

Other supplies needed:

2 1/2 pipe cleaners

7 pony beads

1 magic noodle

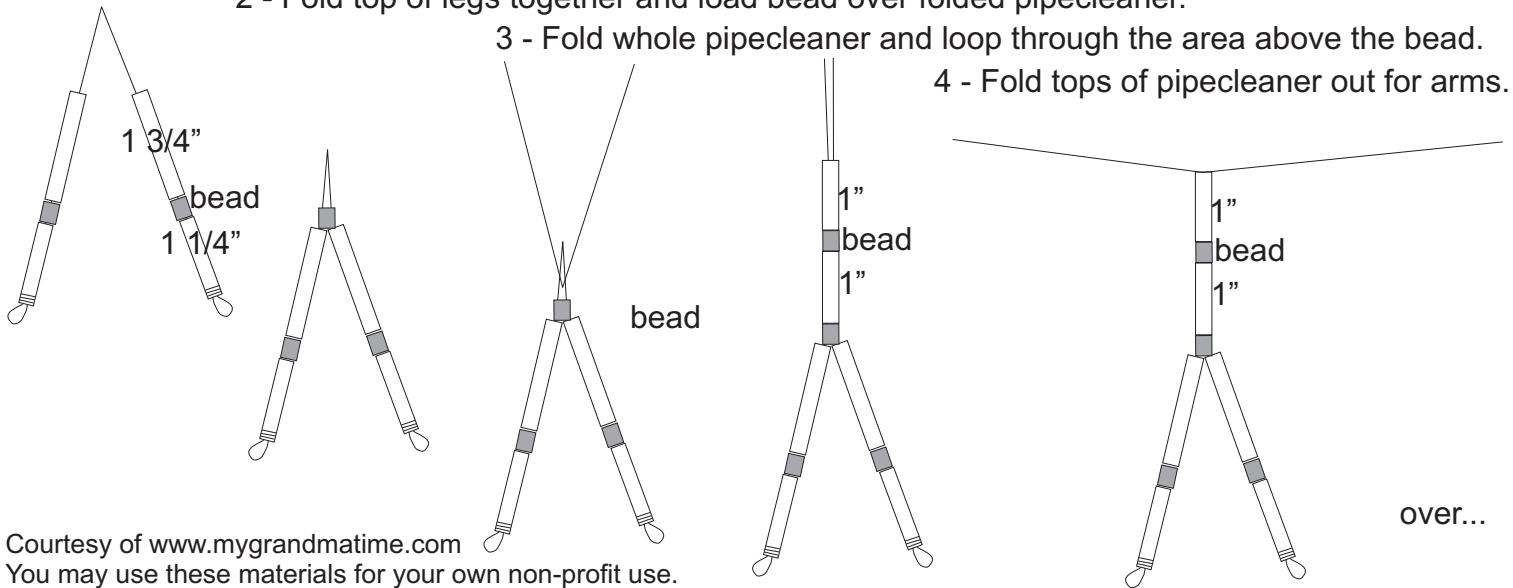

2 stick on eyes or markers for face features

1 - Fold whole pipecleaner in half for legs and load straw, bead, straw (with bend on it) on each side. Fold 1" of pipecleaner ends into straw for foot. Bend straw end for ankle.

2 - Fold top of legs together and load bead over folded pipecleaner.

3 - Fold whole pipecleaner and loop through the area above the bead.

4 - Fold tops of pipecleaner out for arms.

over...

5 - Load straw, bead, straw on each arm. Fold under remaining pipecleaner for hands.

6 - Loop folded half pipecleaner around under the arms.

7 - Fold pipecleaner together and tightly load bead and magic noodle.

8 - Fold down remaining pipecleaner into head for a boy and into a bow for a girl. Detail the face with markers and/or stick on eyes.
