

BEATITUDE MATCH GAME:

Print on colored cardstock or print page 6 of this pdf on the backside so that the print does not show through. It is recommended that you laminate the pieces so they hold up well. I've found that if you laminate them BEFORE you cut them out, that works best.

Here are some options on how to use these game pieces:

- 1) Match just the beginning and end of each beatitude -
16 cards with 8 matches (2 cards each match)
- 2) Match the beginning and end of each beatitude AND the scripture reference-
24 cards with 8 matches (3 cards each match)
- 3) Match the beginning and end of each beatitude AND the "saying" cards that illustrate their meanings -
24 cards with 8 matches (3 cards each match)
- 4) Match everything - beginning and end of each beatitude AND the scripture references AND the "sayings"
32 cards with 8 matches (4 cards each match)
